### **Scott Kehrer, PS rejoins Spalding DeDecker as Survey Project Manager**

**Rochester Hills, MI (May 21, 2019)** – Spalding DeDecker, a leading civil engineering and surveying firm headquartered in Rochester Hills, Michigan, is pleased to announce that Scott Kehrer, PS has rejoined our team as a survey project manager. With more than 19 years of experience in the survey industry, Mr. Kehrer will be responsible for new client development and management of survey projects.

Scott earned his Bachelor's Degree in Land Surveying from Michigan Technological University in Houghton, Michigan and his Masters of Business Administration from Wayne State University in Detroit, Michigan. Most recently, Scott spent 14 years as a Plat Examiner for Wayne County Register of Deeds. In this role, he was responsible for the review of plat maps and condominium documents to ensure compliance with the State Land Division and Condominium Acts. He also performed research, support, and review of the Wayne County Remonumentation Program.

"I am very excited to have Scott back at Spalding DeDecker," said Steve Benedettini, president of Spalding DeDecker. "Scott's experience in the government sector will be extremely valuable to help our clients submit compliant documents for recording."

### **About Spalding DeDecker**

Established in 1954 and celebrating its 65th year in business, Spalding DeDecker is an employee-owned consulting engineering and surveying firm specializing in infrastructure, land development, and surveying. Headquartered in Rochester Hills, Michigan, along with several field offices, Spalding DeDecker offers a diverse set of solutions to clients seeking solutions to construct and maintain their infrastructure. The firm offers municipal engineering, construction engineering, transportation engineering, land development, pavement management, roof and building envelope assessment, and land surveying services.
